Transcript Implications as a Result of the Closures Due to COVID-19

During the Spring 2020 term that coincided with the COVID-19 school closures, International School of Beaverton switched to Pass/Incomplete grading only. The switch was made in compliance with the Oregon Department of Education's guidance, which required all districts to use Pass/Incomplete marks for courses evaluated during this time. The marks issued for the Spring 2020 term enabled students to earn credit towards the curriculum and graduation requirements and do not factor into their Grade Point Average. During the 2020-2021 school year our district conducted fully online for the bulk of the year. Some students returned to hybrid for the last quarter, but this was not required. We are hoping to be entirely in person for the 2021-2022 school year.

School and Community

The International School of Beaverton is a public option middle/high school located in a suburb of Portland, Oregon and is accredited by the Northwest Accreditation Commission and the Oregon State Department of Education. ISB is certified by the International Baccalaureate Organization as an IB World School offering both the Middle Years Programme and the Diploma Programme to all students. It is also a certified AVID school.

Our student population reflects the diversity of the Beaverton School District. Forty-two languages are spoken in our students' homes. Sixty-six percent of our students report their ethnicity as other than Caucasian. Thirty-two percent of our students are identified as Talented and Gifted. Eighteen percent of our students qualify for Free/ Reduced lunch.

Classes meet on an A/B block schedule. Students attend four classes on A days that alternate every other day with four classes on B days for a minimum of 7 courses each semester. Students regularly experience intercultural sessions and presentations that involve foreign delegations, business partners, and community members from other countries who share their lives and world perspectives.

Academic Program

The International School of Beaverton offers the International Baccalaureate Middle Years Programme for grades 6-10 and the IB Diploma Programme for grades 11-12. This educational program is based on a standardized worldwide curriculum. Global perspectives and critical thinking skills are emphasized and promoted throughout the curriculum. In addition, students are required to do individual research, to inquire into the theory and nature of knowledge, and to participate in community service and action projects.

Mission Statement

Our goal at ISB is to encourage students to learn through an international lens as thoughtful, compassionate world citizens. We actively embrace intellectual rigor, intercultural respect, service to our local and world communities, and the promise of a peaceful world.

Grading and Weighted Grades

Students earn grades on an A-N scale (A = 4.0 points and N = 0 points). In regards to weighted grades, a full point (1.0) is added to grade points awarded for letter grades of A, B, or C earned in International Baccalaureate courses and a select number of courses approved by the district as matching the rigor of IB courses. Also, college courses that are transferable to four-year colleges are weighted. All such courses are labeled IB on the transcript.

Recognition

ISB received the US News and World Report designation as a Gold School in 2012, 2014-16 and 2018-21. In 2013 and 2014 Newsweek recognized ISB as one of America's 2000 Best High Schools. Newsweek named ISB as a Beating the Odds School in 2014. Washington Post named ISB one of America's Most Challenging High Schools 2015-17. ISB was also listed on Jay Mathew's Top 300 Schools Challenge Index in 2019 and 2020.

National Merit Scholarship Recognition

The class of 2022 has three National Merit Finalists.

IB Results

In the 2020-2021 school year 81 students registered for 595 courses in a wide-variety of subject areas. 58 of 68 Diploma candidates earned the diploma. The average points earned was 31. The highest diploma points awarded was 42. The average test score for diploma students was 5.01. ISB seniors earned a total of 79 6s and 37 7s on their IB results.

ACT/SAT Testing

Due to the pandemic, the Beaverton School District has not offered testing for all students since the 2019-2020 school year. As such, there is not enough data to provide mean scores for the Class of 2022. Finding a local testing site has been extremely difficult for some time. Due to this, many students are choosing to take advantage of test-optional policies at colleges and universities. Please do not hesitate to contact us with questions.
